

# Consulting Services

Our clients include mid to large **national and multi-national corporations** across a variety of industries and geographies, as well as **education and non-profit organizations**.

## OUR SERVICES

### IT STRATEGY SERVICES THAT WILL HELP YOUR ORGANIZATION:

- ▶ Design a portfolio of IT projects that will successfully execute on your company's strategic and tactical objectives
- ▶ Change the relationship between IT and other business units from an "us versus them" mentality to a true partnership aligned around common goals, language and rewards
- ▶ Ensure your CIO is a valued contributor to the C-suite rather than a technology manager
- ▶ Create an effective partnership between IT and HR to ensure IT is staffed with flexible, capable and business-savvy resources

### PROJECT SERVICES THAT WILL SAVE YOUR ORGANIZATION TIME AND MONEY BY:

- ▶ Creating management structures and guidelines to ensure your projects are successful, and allow you to identify when they are at risk
- ▶ Developing and implementing a remediation plan for a struggling project that will help insure its success, and provide appropriate warnings when it should be abandoned

### VENDOR SELECTION SERVICES TO:

- ▶ Translate business objectives into a fast and cost-effective vendor selection process that ensures you have the right hardware, software and implementation providers for success
- ▶ Provide an independent view into which partners are the best fit for your organization in terms of skills, size, services and cost

### TECHNOLOGY ADVISEMENT THAT WILL:

- ▶ Determine where your current IT environment can be optimized to reduce cost and increase user satisfaction
- ▶ Identify emerging technologies that may impact your business, and explain them in terms of business results and return on investment

PREVOYANCE GROUP'S PAST CLIENTS HAVE INCLUDED LARGE MULTINATIONAL CORPORATIONS LIKE BAKER HUGHES, CA, GILLETTE, NISSAN, OFFICEMAX, PITNEY BOWES AND LENNOX INTERNATIONAL.
